

## October 28 2022 Quick Snapper

Our school assembly this week focused on the Halloween costume protocols and “the reason for the season” All Saints Day. We discussed how the Saints are an important support system for us and that their example and prayers on our behalf are vital to our journey towards sainthood.

### Halloween - Spirit Day - October 31

SJS will once again entertain the costume parade, weather permitting will determine the location. No masks or weapons/props are permitted outside or on the playground. Horror type costumes are permitted, though we ask that parents exercise their judgment when it comes to the “gore” factor. We prefer that the amount of gore be limited and ultimately reserve the right to ask a student to remove costumes that are believed by staff to be inappropriate.

The Grade 7 class will invite K - 6 classes to participate in their annual Haunted Trail (created with K - 6 appropriateness in mind).
