This week was about reconnecting with friends, playing in the snow, and settling back into class. The hallways once again came alive with students and the hustle and bustle of school.

News from St. James Church:

Synod News

In creating the opportunity for listening and dialogue on the local level Pope Francis is calling the Church to rediscover its deeply synodal nature. This rediscovery of the synodal roots of the Church will involve a process of humbly learning how God is calling us to be as the Church in the third millennium.

This process needs the contributions of all Catholics in order to be successful. This is our opportunity to identify what's working and what needs to change, while offering possible solutions. There are many groups being formed throughout our parishes. The families of SJS are one of these groups. Please consider attending a meeting and letting your voice be heard.

We have been provided details by our Bishop on how to journey through this process together. Please take a moment to complete the questionnaire below:

You can also drop in to the Regularly Occurring Synod Open House, every Monday from 7-8:15pm to get more information, listen to some live Praise and Worship music, and enjoy connecting with others in our parishes.
