News from the Office:

SQx Dance week at SJS:

SQx is a group of contemporary dancers who aim to make the world a better place through dance! Details on this incredible group can be found at <https://sqxdance.org>

We had the privilege of hosting this group at our school a number of years ago and it was an incredible experience. This year, we are able to participate via ZOOM. Carmen and her crew will facilitate approximately an hour of dance collaboration per day, per class for the entire week! Afterwards, we will receive a video of our time together in lieu of a live performance. We hope to share this video with our community on June 22 as a part of our Fun Day plans. The theme for this year's experience is ... **TO DISRUPT DISCRIMINATION, INTOLERANCE, RACISM, & HATE IN YOUTH-AT-RISK**. It's going to be an amazing week!
